
Sanyo Commercial Solutions

SANYO Commercial Solutions, HVAC Division, is seeking an energetic Sales Manager for their Texas region. This individual will be responsible for achieving distributor sales goals within the given region.

Acceptable candidate must have 3-5 years of sales experience and possess thorough knowledge of the HVAC industry. Acceptable candidate will preferably have a BA/BS degree. Strong computer skills required especially with MS Office programs. Must possess excellent communication skills both oral and written. The position requires residence within the sales region and requires approximate 60% travel.

Typical Job Functions

- HVAC Distributor Sales calls
- Engineer, contractor and architect calls
- Attend/participate in trade shows
- Provide product support and training to distribution, contractors and engineers
- Other duties as prescribed

In return for your skills and commitment, you will receive an excellent pay and benefits package including 401K, tuition reimbursement, paid holidays/vacation/sick time, and much more. For immediate consideration, please submit your resume, including salary history to:
